Returning Officers Comments and Proposals

Polling District V - The existing polling place for this district is no longer available. An alternative was used at the May 2011 Elections, this was adequate but not totally suitable due to lack of toilet facilities. Requested that the whole of polling district be designated as the polling place to enable to Returning Officer to continue to look for an alternative.

Returning Officers Comments and Proposals

Polling District AV - There is no public hall within the village so the Parish Church has been used as a polling station. Requested that the whole of polling district be designated as the polling place to enable the Returning Officer to continue to look for an alternative.

Polling District AW – The polling Station at present is in the Methodist Church. I recommend that we have an alternative venue of The Village Hall recorded in case that the Methodist Church is not available.
