***Weekly Collection Support Scheme - Expression of Interest Form for
[INSERT NAME OF COUNCIL]***

[INSERT NAME OF LOCAL AUTHORITY] is interested in bidding for funding from the WCSS. As the primary contact within our authority, I have provided some information about the project we are proposing to develop into an outline bid below;

Would your bid be an individual one or as part of a group or consortium with other authorities and/or third parties?	
An outline in very brief terms of what the bid is and how it will meet the criteria (eg weekly collections for X households and X increase in environmental benefits)	
What would the funding deliver and approximately how much would it cost (NB: costing information will not be considered binding in any way, so it's fine if the eventual bid ends up being for a smaller or greater amount)	
Will this underpin weekly collections (as defined in Section One)? Please explain.	
Does your bid demonstrate environmental benefits? Please explain.	
Does your bid demonstrate value for money? Please explain.	
Will procurement or planning	

permissions be required?	
Are there likely to be any state aid considerations?	
Are there any particular barriers or challenges to bidding that central Government could address ahead of outline bids being submitted?	
Additional Comments	

This Expression of Interest is non-binding. I understand that the Department for Communities and Local Government will use this information to assess and prepare for the volume and range of bids that the Scheme might receive, and help local authorities refine and improve their bids.
