- * There is no precedent at Melton for the leading group to take a Chair or Vice Chair role of the OSA Committee
 In the interests of openness and transparency it is good practice that the Chair and Vice Chair are not part of the leading group
 The Constitution does not specifically mention the Vice Chair role –the following extract from the Overview and Scrutiny Procedure Rules refers :-

8. Who chairs Overview, Scrutiny and Audit Committee meetings?

The Overview, Scrutiny and Audit Committee will be chaired by a Councillor who is not a member of the same political group as the Leader, unless there is no such person serving on the Committee. In such cases, the Committee may appoint such person to chair it from amongst the Councillors sitting on it.

However by implication of the role of Vice Chair, that individual could be put in a position to chair the OSA Committee at any meeting or for any part of a meeting
