3.0 KEY ISSUES

- 3.1 The complaint at Appendix A has been received by the Monitoring Officer and is being considered in accordance with the Council's Complaints Process as set out at Appendix B and the Code of Conduct for Members attached at Appendix C.
- 3.2 In accordance with new Complaints Process, the Monitoring Officer has shared the complaint with the Subject Member and at his request the Head of Regulatory Service responded to the complainant regarding the facts of the complaint. This letter was sent as a means of seeking informal resolution. However the complainant did not accept the response as closure of the matter. This exchange of correspondence is attached at Appendices D and E.
- 3.3 The complainant indicated that they wished to pursue the complaint. Therefore the Monitoring Officer sought a statement from the Head of Regulatory Service due to his professional involvement in planning matters and to respond to issues raised by the complainant following receipt of his letter dated 30 April 2013. This is attached at Appendix F and the minutes of the Development Committee meeting referred to in the statement are attached at Appendix G.
- 3.4 The Monitoring Officer sought the views of one of the Independent Persons on the case so far and this is attached at Appendix H.
- 3.5 The next stage of the process indicates that the Committee consider the complaint together with the other appendices including the Independent Person's opinion at Appendix H in order to decide whether :-
- No action be action
 - The complaint be referred for other action such as training, support, mediation

- The complaint be referred for Investigation
