# Pay Policy Statement 2017/18

## Introduction

The Localism Act 2011 (the Act) requires the Council to prepare a pay policy statement each year. The pay policy statement must articulate the Council's approach to a range of issues relating to the pay of its workforce.

This statement will be subject to annual review and approval by Full Council each subsequent year. In exceptional circumstances the statement may be reviewed/amended mid-year by the Full Council.

This statement will be published on the Council's website following each review and approval by Full Council.

The purpose of this statement is to provide transparency with regard to the Council's approach to setting the pay of its employees by identifying:

- the methods by which salaries of all employees are determined;
- the detail and level of remuneration of the Council's most senior staff;
- the remuneration of the Council's lowest-paid employees, and
- the relationship between the remuneration of chief officers and those employees who are not chief officers.

## 1. Remuneration of Employees

- 1.1 For employees subject to the "National Agreement on Pay and Conditions of Service of the National Joint Council for Local Government Services" (known as the "Green Book"). The national pay spine ends at SCP 49 but the Council has locally extended this to SCP 60. This pay spine is divided into 15 pay bands, which contain between two and four incremental points. Band 2 is the lowest and Band 16 is the highest of these pay grades.
- 1.2 From April 2013 the Council recognised the Living Wage Foundation (LWF) rate as the minimum hourly rate for employees. This has been frozen at the rate of £8.25 per hour. From 1 April 2017 the Council recognises National Living Wage (NLW) as the revised minimum hourly rate which is £7.50 per hour. Employees who are being paid the LWF rate on the 1 April 2017 are protected on £8.25 for two years after which time they will revert to the NLW rate.
- 1.3 The Band of a post is determined through Councils job evaluation scheme which directly establishes the relative levels of posts according to the requirements, demands and responsibilities of the role. The evaluated score will determine the banding level paid within a locally agreed banding structure. The Council presently use the Local Government Single Status Job Evaluation Scheme (the NJC scheme) to evaluate all posts with the exception of Chief Officer roles.

- 1.4 The Council presently adopts the national pay bargaining arrangements in respect of the revision of pay spines
- 1.5 All other pay related enhancements and payable allowances/expenses are the subject of either nationally or locally negotiated and/or determined rates.

- 2.6 Heads of Service meet the statutory definition of chief officer as they report to or are directly accountable to the Chief Executive but who are not employed on chief officer pay or terms and conditions. These posts are generic and have been job evaluated at Band 15 using the Councils scheme.
- 2.7 The Chief Executive also acts as Returning Officer for all Council elections for which an additional allowance is payable in relation to the overall supervision and ultimate responsibility for the conduct of Council elections. The fee payable is calculated jointly with Leicestershire Electoral Administrators Group, currently based on a set amount for the number of electors for each ward, £56.77 per 500 local government electors or part thereof in a contested election. Elections take place on a 4 year cycle although by-elections may take place at other times.
