29 SEPTEMBER 2010

REPORT OF HEAD OF FINANCIAL SERVICES

CAPITAL PROGRAMME 2010-2011 TO 2014-2015

1.0 PURPOSE OF THE REPORT

- 1.1 To determine the Committee's Capital Programme for 2010-2015 based on a review of spending in the current year's programme and schemes included in the programme for later years.

2.0 RECOMMENDATIONS

2.1 It is recommended that:-

- (i) the Committee notes the Capital Programme for 2010-2015,
- (ii) Members consider the schemes being submitted in 2010-2015 for funding as part of the budget setting process to ensure they meet the Council's priorities and;
- (iii) the Project Mandates as summarised in Appendix C be approved for inclusion in the Capital Programme.

3.0 KEY ISSUES

3.1 Capital Programme 2010-2015

- 3.1.1 The Capital Programme 2010-2011 to 2014-2015 for this Committee is attached at Appendix A. The Programme gives the total cost of each scheme, the spending profile, the amounts authorised to be spent and the stage each scheme has reached within the Capital Programme Project Appraisal System.

3.2 Changes to the Programme

- 3.2.1 The changes that have been made to the Capital Programme for the current and future years are set out in Appendix B. In relation to the project previously known as Service Redesign – Phase 1 this is being renamed Kirona Mobile Working as this better reflects the remaining scope of the project. This was originally part of a larger scheme around service redesign.
- 3.2.2 A list of new schemes is set out in Appendix C and is submitted for approval for inclusion into the Capital Programme. The Project Mandates, as approved by the Councils Programme Board, for these schemes are attached.
- 3.2.3 The above changes result in £1,664,000 of schemes in 2011-2012 being submitted for consideration for funding in 2011-2012 as part of the budget setting process all related to General Expenses.
- 3.2.4 Members should note that the figures in respect of the new build shown in Appendix B have been revised to reflect the latest position. The costs associated with this project are all covered by insurance and partner contributions and will be subject to further revision as the project progresses.

The extent to which consultation has been undertaken on individual schemes is set out in the associated project mandates.
