3.0 KEY ISSUES

3.1 Under the Capital Programme Project Appraisal System, monitoring of actual capital expenditure against authorised expenditure is undertaken on a regular basis and reported to the Management Team in its capacity as the Council's Programme Board. Appendix A gives details of the spending against budget for all schemes within this Committee up to 31 October which is the latest available information at the agenda date.

4.0 POLICY AND CORPORATE IMPLICATIONS

4.1 Policy and corporate implications were addressed in setting the current year's budget. There are no further policy and corporate implications arising from this report.

5.0 FINANCIAL AND OTHER RESOURCE IMPLICATIONS

5.1 The financial implications for each scheme are as set out in Appendix A

5.2 The overall position for all capital schemes falling within this Committee is as set out below.

Capital Schemes	Allocated Funding 2015/16 Budget	Authorised Funding 2015/16 (Business Case Approved)	Actual Expenditure to 31 Oct 2015	Year End Forecast	Year End Variance (-) Underspend
	£'000	£'000	£'000	£'000	£'000
General Expenses	579	520	28	520	-59

The forecast is generally in line with the budget with schemes progressing although expenditure has yet to be incurred. The exception to this is a project which is not expected to be needed now. This project is the Improvements to Footbridge off Asfordby Road, following an inspection the works appear to be no longer needed, This is recommended for removal in the capital programme proposals for 2015 to 2020 included elsewhere on this agenda.
