Harborough

Oakham / Uppingham

They do not allow coaches on the Council's Oakham and Uppingham town centre car parks. They have a dedicated coach/bus/motor caravan park on Kilburn Road in Oakham, which although it is free, they could potentially issue PCN's for contraventions such as other vehicles using it or parking out of a bay. This is not something that they currently do, and they would not charge coaches, since "it is not something that would generate much income and we wouldn't put a P&D machine on the site as its too far out of the town centre"
