- The staff survey has shown that there is high positive satisfaction amongst staff which is positive as high satisfaction is important when wanting to retain staff.
- The Leader noted that with inflation running at 10%, this devalues the funding that has been received as a part of the Levelling Up Fund and the United Kingdom Shared Prosperity Fund, therefore it is important that the funds are spent 'on time' in order to receive maximum value.
- The Leader thanked all Members and Officers of the Council for all their hard work and contributions over the past four years.

The point was raised in relation to tenants with problem animals. In response, it was confirmed that unless it can be proved the animal is causing a significant problem then the issue can be difficult to deal with. There is also an issue balancing the problems the animal causes and the comfort the animal gives the tenant.
