Good Morning Both,

Hope you are both well and had a good weekend? I was in town on Saturday evening (when it was raining!) and all looked good at The White Lion (and elsewhere it has to be said). I've spoken to Melton police and they have reported no issues and that the CCTV images shows that the new queuing system seemed to be very effective with most people visibly trying to keep their distance. I hope that this continues to work and I appreciate the effort you and your team have put into it and also helping us all to resolve the wider public's concerns.

Look forward to hearing from you in due course – in the meantime if there is anything that you wish to speak to me about – then you have my contact details accordingly.

Many thanks again

Chris
