Age UK	£8,000	<p><u>Seniors Support</u></p> <p>Age UK LS&R, formerly Age Concern, has been actively involved in delivering services to older people and their carers living across the Borough of Melton for approximately 60 years. The aim of the charity is to support people to continue living within their own local community rather than having to go into residential or nursing care homes. At the same time, the charity is committed to taking some of the pressure off family or friends who may have a caring role.</p>
Belvoir Cricket and Countryside Trust	£2,197	<p><u>Sports Coaching</u></p> <p>The Trust has identified a need in priority neighbourhoods in Melton and Asfordby so is aiming to deliver in-school and out-of-school sports coaching in 2021-2022 targeting young children of low-income families. There would be a spring/summer programme of Kwik Cricket and an autumn/winter programme of basketball. Potentially our coaches could interact with a child up to 36 times so we see this as an early intervention project for both their long-term physical health and mental well-being, helping to address issues such as obesity, anti-social behaviour and poor attainment at school as well as a way to put the experience of Covid-19 firmly behind them.</p>
Citizen's Advice Leicestershire (CAL)	£19,000	<p><u>Remote Advice Service</u></p> <p>CAB will deliver a high quality Remote Access advice service throughout 2021 - 22. Other regular calls are regarding welfare where we arrange visits to 'score' and then either refer to the RSPCA or provide help to the owners to improve the welfare. We also assist where horses and ponies have been abandoned, where with Police guidance, abandonment notices are served and then the horses are taken to a place of safety and then rehomed where at all possible. We are not a horse rescue and do not have facilities, but we do assist often at our own cost</p>
