Pay Policy Statement 2021/22

Introduction

As a responsible employer Melton Borough Council is committed to delivering a fair, equitable and transparent policy covering pay and other benefits. It aims to attract, motivate and maintain people who will work in line with the core values to deliver the Corporate Priorities through an appropriate pay and benefit package.

The Localism Act 2011 (the Act) requires the Council to prepare a pay policy statement each year. The purpose of this statement is to provide transparency with regard to the Council's approach to setting the pay of its employees by identifying:

- the methods by which salaries of all employees are determined
- the detail and level of remuneration of the Council's most senior employees
- the remuneration of the Council's lowest-paid employees, and
- the relationship between the remuneration of chief officers and those employees who are not chief officers.

1. Remuneration of employees

- 1.1 For employees subject to the "National Agreement on Pay and Conditions of Service of the National Joint Council for Local Government Services" (known as the "Green Book"). The national pay spine ends at SCP 43 but the Council has locally extended this to SCP 54. This pay spine is divided into 15 pay bands, which contain between two and five incremental points. Band 2 is the lowest and Band 16 is the highest of these pay grades.
- 1.2 As part of national pay negotiations in 2018, a review of the pay spine was undertaken. This has resulted in the lowest point, point 1 starting at £9.25 per hour - £17,842 pa.
- 1.3 The Band of a post is determined through Council's job evaluation scheme which directly establishes the relative levels of posts according to the requirements, demands and responsibilities of the role. The evaluated score will determine the banding level paid within a locally agreed banding structure. The Council presently use the Local Government Single Status Job Evaluation Scheme (the NJC scheme) to evaluate all posts with the exception of the Chief Executive and Directors.
- 1.4 The Council presently adopts the national pay bargaining arrangements in respect of the revision of pay spines
- 1.5 All other pay related enhancements and payable allowances/expenses are the subject of either nationally or locally negotiated and/or determined rates.

2. Remuneration of Senior Officers

- 2.1 For the purpose of this statement Senior Officers are defined as the Chief Executive and Directors on terms and conditions of employment determined by the JNC for Chief Officers of Local Authorities (or JNC for Chief Executives of Local Authorities) as amended/supplemented or superseded by decisions on conditions of service made by the Council from time to time.
- 2.2 The salary paid to Senior Officers is determined by the Employment Committee. It takes into consideration guidance from the JNC National Framework and market forces through a benchmarking exercise. The Council apply JNC nationally agreed cost of living pay awards.
- 2.3 The Chief Executive is the Council's Head of Paid Service. As at 1 April 2020 the annual full time equivalent (FTE) range for the grade of this post is £101,556 – £112,246. - 2.4 There are three Directors who report directly to the Chief Executive. As at 1 April 2020 that annual FTE range for the grade of this post is £69,486 - £80,176. There are six incremental points in the grade and progression through the grade is by annual increment which normally happens on 1st April each year.

- 2.6 The Chief Executive also acts as Returning Officer for all Council elections for which an additional allowance is payable in relation to the overall supervision and ultimate responsibility for the conduct of Council elections. The fee payable is calculated jointly with Leicestershire Electoral Administrators Group, currently based on a set amount for the number of electors for each ward, £56.77 per 500 local government electors or part thereof in a contested election. Elections take place on a 4 year cycle although by-elections may take place at other times.

This includes good working conditions, flexible working, well being initiatives, generous annual leave and development opportunities.

4 Financial Data

The current pay levels within the Council define the multiple between the average full time equivalent salary and the Chief Executive as being 4.5:1. The calculation is based on all staff excluding casual and relief staff. The full time equivalent salary is ranked and the salary taken at the midway point which is currently £24,012. The salary of the highest paid earner (the Chief Executive which is £107,970) is then divided by this salary to give the multiplier.

Salary information is correct as at February 2021.

5. Gender pay gap

There is a legal requirement to publish the gender pay gap in organisations with a headcount of over 250 employees. The current headcount at Council is less than 250 however in line with best practice, the gender pay data has been calculated as follows:

The quartile breakdown of pay shows the proportion of women and men at different pay levels in the organisation. It shows that 72% of the workforce in the lower quartile are women compared with 57% in the upper quartile. The gender make up of the council is 67% women and 33% men.

There is good equal representation of both women and men in the Leadership Team (Chief Executive, Directors and Service Managers) which is made up of 50% women and 50% men. The median pay for this group is even with no gap.

The mean pay of men is £16.49 per hour while the mean pay of women is £13.98. This means that when using the mean average, men at Melton Borough Council are paid 15% more than women.

The median pay of men is £15.94 per hour while the median pay of women is £11.74 per hour. This means that when using the median average, men at Melton Borough Council are paid 26% more than women.
