

LICENSING ACT 2003

POOL OF MODEL CONDITIONS

The conditions shall not be regarded as “standard conditions” which are to be automatically imposed on premises licences and certificates in all cases. The following are designed to provide a range of **possible** conditions which **may** need to be attached to premises licences or club premises certificates, depending upon differing situations.

All conditions attached to a premises licence and club premises certificate must be appropriate and proportionate to the application received.

The wording of the conditions may need to be modified to suit a particular premise and/or situation.

This is not an exhaustive or exclusive list of conditions.

Additional conditions may be drafted and attached to such licences and certificates to meet individual circumstances, both by the applicant in question, any responsible authority, or the Licensing Authority as deemed appropriate.

The majority of conditions refer to the ‘premises licence holder’ however, in some circumstances, it may be more appropriate for the designated premises supervisor to be responsible for complying with the condition. In these circumstances, the conditions can be amended to read ‘the designated premises supervisor or a competent person nominated by the designated premises supervisor’.

Please note that with the introduction of the Live Music Act 2012, no conditions relating to live music can be added to new or variation premises licence or club premises certificate. Live music conditions can only be added on a review application that relate to issues with live music.
