## 1. Introduction and Overview

The Scrutiny Committee met on 15 July 2021 to consider the Scrutiny Task and Finish Group Review of the Melton Business Improvement District (BID) Final Report.

## 2. Summary of Feedback/Recommendations for Cabinet Consideration

- It was noted that the final report has stated the year 2006 as the creation date for the BID. It has since come to light that this was incorrect and in fact the BID was created in 2011. This inaccuracy was corrected before being presented to Cabinet.
- The Chairman confirmed that an invitation was extended to the BID Chairman to attend the Scrutiny Committee meeting on 15 July, however this was declined due to prior commitments of the BID Chairman. The Chairman added that the BID Chairman was then subsequently invited to attend a future Scrutiny Committee meeting so that he could inform Members about the work of the organisation.

- The Scrutiny Committee agreed that the BID is an important partner of the Council and is an organisation which Members would like to see continue.
- The Scrutiny Committee supported the recommendations of the report and agreed to forward them to Cabinet for their consideration.
