| SIAI  | STATEMENT OF REVENUE & CAPITAL RESERVES: Purpose & Future Intentions   |  |  |  |  |
|---|--|--|--|--|--|
| Description:                                    | Purpose  | Future Intentions  |  |  |  |
| Reserves:                                       |  |  |  |  |  |
| Other Earmarked Reserves                        |  |  |  |  |  |
| Miscellaneous S106 Projects                     | Funds received from developers contributing towards various schemes  | Existing funds received are required to be used on works required at the Country Park, open spaces and Darcy Gardens.  |  |  |  |
| Melton Local Plan                               | Contribution from Local Plans revenue budget towards future spending requirements  | To be released to fund uneven spending on Melton Local Development Framework   |  |  |  |
| Waterfield Leisure Centre                       | Contribution from Waterfield Leisure Centre revenue budget towards future spending requirements  | To fund cyclical works at the Waterfield Leisure Centre as and when required   |  |  |  |
| Waterfield Leisure Centre Income Smoothing Fund |  | No futher use this reserve will be closed down and proposed that balance moved to a new repairs and maintenance fund   |  |  |  |
| General Repairs and Maintenance                 | New reserve created to provide resilience for ad hoc repairs and maintenance works to be added to when there is a surplus in the corporate repairs budget in any one year.   | To be utilised when funding issues arise in year from annual stock condition surveys or ad hoc works which don't have sufficient funds available through other means such as specific sinking funds, repairs and renewal funds etc. or exceed the annual revenue budget for that year.   |  |  |  |
| Business Rate Equalisation Reserve              | One of the main impacts of the Business Rate retention scheme has identified the potential for annual fluctuations in the retained income levels. There is likely to be volatility in surpluses and deficits achieved in future years which this reserve will help mitigate  | The reserve will be utilised to even out surpluses / deficits created on the revenue account as a result of changes in the actual levy payments. Budgeted and actual contributions to and from the fund will also be undertaken to mitigate fluctuations created by surplus / deficit on the collection fund.  |  |  |  |
| Local Authority Parks Funding                   | The Ministry of Housing, Communities and Local Government (the Department) issued grant of £10,000 to Melton Borough Council under powers in section 31 of the Local Government Act 2003.  | The funding will be used towards the Melton Country Park pathway project.  |  |  |  |
| Welland Procurement                             | Created to help manage variations in the profitability of the Welland Procurement Unit   | Will be used to help manage an orderly reduction in costs in the event that clients do not renew their contracts with the Procurement Unit   |  |  |  |
| EU Exit Funding                                 | Grant received to help local authorities manage the impact of Brexit   | It is expected that this reserve will be used in the near future.  |  |  |  |
| Melton Sports Village                           | Sinking fund introduced for site maintenance   | To carry out site maintenance as and when required.  |  |  |  |
| General Reserves                                |  | ·  |  |  |  |
| Corporate Priorities Reserve                    | General fund reserves have been earmarked in the medium term financial strategy as being available to finance capital expenditure and revenue items of a non recurring nature that meet the Council's priorities. Contributions to this fund only arise as a result of surpluses in the revenue account  | This reserve is to be used in line with the Medium Term Financial Strategy. Used for General Expenses for the benefit of the whole borough   |  |  |  |
| Regeneration and Innovation Reserve             | To provide funding for feasibility studies or business cases to unlock external funding or to support projects that will result in economic growth, commercial return or support inward investment. To include the allocation of match funding associated with external funding bids, and; To provide funding to support development and implementation of service improvement and innovation (including improvements in becoming more commercial, digital, and customer-focussed). Individual items can be drawn from the reserve up to £50k. | The fund will be topped up as and when funds become available and approved by members to be transferred to the reserve. The intention is to enable projects that meet the criteria of the fund to be able to be funded quickly so that opportunities are not missed and the Council can operate more commercially in line with its new governance arrangements |  |  |  |
| Special Expenses Reserve                        | See notes for Corporate Priorities Reserve   | Used for Special Expenses (Melton Mowbray)   |  |  |  |
| -F  |  |  |  |  |  |

| General Fund Carry Forward Reserve                | Amounts are set aside from the General Fund to fund the carry forward amounts – amounts not spent in year which will be needed for a specific purpose in the following year – as approved by the relevant committee in year.  | Used for General Expenses                  |
|---|---|--|
| Special Expenses Carry Forward Reserve            | Amounts are set aside from special expenses to fund the carry forward amounts – amounts not spent in year which will be needed for a specific purpose in the following year – as approved by the relevant committee in year.  | Used for Special Expenses (Melton Mowbray) |
| Working Balances                                  |   |  |
| General Expenses Working Balance                  | When calculating Budget requirements, relevant authorities are required (by The Local Government Finance Act 1992) to have regard to the level of reserves needed for meeting estimated future expenditure. Reserves held as a working balance are held for contingency purposes (e.g. for emergencies) and the appropriate level is reviewed annually as part of the budget setting process. |  |
| Special Expenses (Melton Mowbray) Working Balance | See notes for General Expenses Working Balance  | Used for Special Expenses (Melton Mowbray) |

| Description:   | Purpose   | Future Intentions  |
|--|---|--|
| Housing Revenue Account Balances                     |   |  |
| HRA Working Balance                                  | See notes for General Expenses Working Balance  | Used for the HRA   |
