Felicity

I acknowledge receipt. I didn't realise you wanted confirmation and I don't always see incoming emails in the generic EH inbox. Please contact Jo and I directly.

I shall inform the Licensing team that conditions are agreed.

Kind regards

Dear Joanne and David,

I act on behalf of Forbidden Festival and have discussed your representations with Simon Oates.

David – in respect of your conditions I can confirm that they are agreed.

Joanne – I note that you have asked that my client engage with the SAG 6 months before the event. They have obviously already been liaising with David, the Police and others. However, the

event is due to be held in July and the hearing (as I understand) is not due to be until the beginning of March. Simon is therefore going to have to continue that liaison pending the hearing, which he is more than happy to do. However, if the condition were to be added to the licence (if it were granted in March) it would technically be breached immediately as there isn't six months between the beginning of March and the beginning of July.

Would you therefore be happy for it to be amended to say 3 or 4 months, or are you satisfied that the ongoing liaison is sufficient to ensure everyone has enough notice?

I look forward to hearing from you.

Many thanks,

Felicity
