

# **Licensing Sub-Committee DECISION NOTICE**

## **DETERMINATION OF A PREMISES LICENCE**

**Meeting:** LICENSING ACT 2003 SUB-COMMITTEE  
HEARING at Melton Borough Council on 2  
March 2022

**Applicant:** FORBIDDEN FESTIVAL LTD

**Premises Address:** THE GROUNDS OF BELVOIR CASTLE,  
BELVOIR, GRANTHAM, NG32 1PE (KNOWN AS  
KNIPTON PASTURES AND FROG HOLLOW)

**Licence No.** N/A

### **Summary of Decision:**

The Decision of the Licensing Sub-Committee (in exercise of the powers delegated by Melton Borough Council as Licensing Authority) is to grant the licence subject to conditions.

### **Facts and Reasons:**

In reaching its decision the Sub-Committee has had regard to the evidence and representations of the Applicant, the agreements reached with the Responsible Authority (Environmental Health) and the Interested Parties as well as the remaining Representation of an Interested Party, the Council's Statement of Licensing Policy and Guidance issued under section 182 of the Licensing Act 2003.

In making their decision the four licensing objectives were given equal and paramount importance, i.e.

- The Prevention of Crime and Disorder;
- Public Safety;
- The Prevention of Public Nuisance
- The Protection of Children from Harm

The Sub-Committee made the following findings of fact:

1. The application for the premises licence had been made, and served on the Responsible Authorities in accordance with the Licensing Act 2003.
2. Protection of the public and promotion of the licensing objectives is paramount
3. The Operating Schedule, together with the supplemental documents provided (Noise Management Plan dated 17 January 2022, Event Safety Plan dated 11 February 2022 and Transport Management Plan dated 11 February 2022) as well as the liaison that has already taken place with the Responsible Authorities and lay interested parties evidenced that the Licensing Objectives were being prioritised and promoted.

The Sub-Committee gave the following reasons for their decision:

- 1 The Sub-Committee took into account all of the representations received (from the Responsible Authority and Interested Parties).
- 2 The Sub-Committee noted the efforts that the Applicant had gone to, to address the concerns raised and the agreements that had been reached in respect of all but one of the Representations made. The Sub-Committee commended the Applicant for the early and ongoing engagement with Responsible Authorities, lay parties and the parish

- 3 The Sub-Committee considered the Noise Management, Event Safety and Transport Management Plans created for the event, in addition to the Operating Schedule and agreed conditions reached with the Responsible Authority (Environmental Health). The Sub-Committee were satisfied that the documents together evidenced that the licensing objectives would not be undermined by the granting of the licence with the conditions.
  
- 4 The Interested Party's Representation raising concerns regarding noise, traffic, facilities and anti-social behaviour (i.e. the prevention of crime and disorder, public safety and the prevention of public nuisance) had been addressed by the Noise Management, Event Safety and Transport Management Plans, the Operating Schedule and agreed conditions reached with the Responsible Authority and there would not be an impact on these licensing objectives.

In reaching this decision, the Sub-Committee took into consideration the following:-

- (i) The report presented by Simon Greensmith, Licensing & Compliance Officer for Melton Borough Council;
- (ii) The Applicant's submissions
- (iii) The Responsible Authorities written representations and proposed agreed conditions
- (iv) The written representations received from Interested Parties as well as the agreements reached.
- (ii) The provisions of the Licensing Act 2003 and the four licensing objectives
- (iii) The Human Rights Act 1998
- (iv) Relevant case law
- (v) Melton Borough Council's Statement of Licensing Policy
- (vi) The guidance issued by the Secretary of State under s.182 of the Licensing Act 2003 (April 2018)

**Decision:**

The Sub-Committee did not consider that the Representation made by the Interested Party in relation to noise, traffic, facilities and anti-social behaviour

could justify the refusal of the application on the ground that granting the application would undermine the licensing objectives.

On consideration of the evidence, the Licensing and Compliance Officer's report, the relevant legislation, case law and policies the Sub-Committee took the decision to grant the application with the additional (agreed) conditions set out as **Appendix 1** to this Decision Notice.

**Right to Appeal**

There is a right of appeal in respect of this Decision.

Any appeal of the Sub-Committee's Decision must be lodged at the Magistrates' Court with 21 days of notification of the Licensing Authority's Decision.
