

Appendix C - Third Party Responses

16 letters of objection from 11 addresses and 1 letter of support have been received commenting as follows.

Objections;

- Removal of mitigation in original housing plan
- Earlier proposal was preferable
- Loss of wild life pond
- Increased visibility of development from surrounding rural area
- Impact on local views
- Loss of trees and hedgerows
- Little concern over heritage
- No passing bays
- Road not wide enough
- Rat runs
- No account of surviving historic features
- Stanton Air Raid Shelter remains in situ and should be preserved and restored
- History of site should be preserved
- Footpath connection removed linking through to Burton Lazars
- Enough larger detached properties in the area
- Road links are not adequate
- No Community Building
- Concern over setting to historic Scheduled Monument and its setting.
- Lorries would have to go through residential areas
- Not in accordance with draft Neighbourhood Plan
- No communication or dialogue has been held with neighbouring land owners or farmer for the opportunity of footpaths on their land.

Support

- The sooner the dwellings get built the sooner current anti-social behaviour on the site will stop along with the authorised use of the site for poultry purposes which brings noise issues.
