Join Velocity one of meltons top bands playing here 6th August on our outside stage! It's been a few months but they are back!!!

The poster features the band's name 'Velocity' in a large, white, distressed font with a splatter effect, set against a vibrant, multi-colored background of vertical streaks in green, yellow, red, and purple. Below the name, 'The Band' is written in a smaller, clean white font. The central image is a circular collage of four black and white photographs: a male drummer in the top-left, a female lead singer with blonde hair and a microphone in the top-right, a male guitarist in the bottom-left, and a male bassist in the bottom-right. The entire graphic is set against a dark, textured background with a white splatter effect.
