## Continuation of representation.

which was both very loud and which carried on until approximately 3.00 am. On at least a few occasions I was woken up by it at times between 1.30 am and 2.30 am. ~~At~~ at times the volume was such that what the DJ was saying was loudly audible. There was one time (I can't remember the date) when, well after midnight, I went to the back to complain and was directed to a gentleman who said that the Council allowed the music until 3.00 am.

Regarding the timing of the music, it seemed to actually start around midnight, and there were times when the volume slowly ramped up to being loudest at 2.45 am.

Needless to say, I consider the pub's use of music in that manner to be unacceptable.
