Please give a general description of the premises (please read guidance note 1)

Located on Sherrard Street within a mixed parade of retail shops and with close proximity to the market place these premises (previously a pound shop) are about to undergo a complete refurbishment to form a new café/bar, Cerdo Lounge.

The premises comprise the entrance leading to the ground floor trade area, with the bar/servery located to the left, access W.C to the right and the kitchen to the rear. The cellar is located in the basement. Stairs lead to the first floor which accommodates additional toilets, trading area and an external trading terrace for customers use in good weather. The general layout is all as shown on the plan provided.

The operation will be a food-led Continental style café/bar. Opening will be all-day everyday with food available at all times. There will be a focus towards being family friendly with highchairs available, a selection of board games, daily newspapers & a free book swap facility. Music will be limited to background only.

We are aware these premises reside within the CIP area. However, management are very experienced in this style of operation and presently run similar café/bars in over seventy similar locations across the country. The product being offered here will be unique to the area in terms of the menu, beverages on offer and the atmosphere created. We are confident the grant of this licence will not threaten any of the four licensing objectives nor add to the cumulative impact being experienced in the area.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

What licensable activities do you intend to carry on from the premises?
