- 2. Unitary Authority Chief Executives
- 3. London Borough Chief Executives
- 4. District Council Chief Executives
- 5. County Council Chief Executives
- 6. Better Care Fund Managers

Dear Chief Executives,

In the Autumn Budget, the Chancellor announced an additional £42 million of capital funding for the DFG in 2017-18 for local authorities in England. As you know, the DFG is for the provision of adaptations to disabled people's homes to help them better access, and move around, their homes and/or gardens. Home adaptations can be a welcome intervention for many, enabling people to live independently and safely. While this additional funding should continue to be used for home adaptations, there is also flexibility to use some of the additional funding on wider social care capital projects. This additional funding should be spent in the 2017-18 financial year.

Unlike the current 2017-18 DFG Grant Determination, in two tier areas the additional funding will be issued directly to the lower tier authorities. Please note that this additional DFG funding will not be subject to the usual Better Care Fund (BCF) requirements such as the need for local authorities and clinical commissioning groups to jointly agree how to spend the funding as part of your local BCF plan. This is to ensure that the additional funding is quickly distributed, and to enable it to be spent by the end of the current financial year. If an authority is unable to spend the additional funding, it will be re-allocated to an authority in greater need.

The attached table sets out indicative maximum allocations for each authority (**Annex A**). These allocations have been calculated in accordance with the existing Building Research Establishment allocation methodology. Given the exceptional circumstances of this additional funding, we should be grateful if all lower tier authorities, unitary authorities and London boroughs could confirm whether they wish to accept the full indicative allocation of additional funding and are able spend the

entirety of the indicative allocation of additional funding by 31 March 2018. If an authority is unable to spend some or all the additional funding, it will be re-allocated to an authority in greater need.

Please send your responses to: <u>Disabledfacilities.grants@communities.gsi.gov.uk</u> by **close of play Monday 11 December 2017**. Please clearly identify the name of your local authority and provide a named contact and telephone number for any queries. We expect to distribute the additional funding as soon as we have received replies from all authorities. We will also issue a Grant Determination letter which will necessitate a declaration of the additional grant usage to ensure that it has been spent in accordance with the conditions of the Grant Determination.

I should also like to take this opportunity to remind all local authorities about the work of the national body for home improvement agencies, Foundations, which this Department funds. Foundations are able to advise and support local authorities as well as home improvement agencies on the DFG and efficient delivery of adaptations, and to local authority commissioners on commissioning local home improvement services. If you have any further questions please contact the Housing Support Division at <u>Disabled.Facilitiesgrants@communities.gsi.gov.uk</u> or the enquiries line on 0303 444 4400 and ask for colleagues who work on the Disabled Facilities Grant.

Yours faithfully,

Cathy Page Deputy Director Housing Support Division Department for Communities and Local Government
