

An Adventure not to be missed....

Tick this off [YOUR](#) Bucket List!

Experience the thrill of the open road from the comfort and luxury of a specialist made Family Boom trike!

See the midlands in it its glory in the most unique and exciting way possible.

Our exclusively designed tours will take you on a chauffeur driven journey around some of the most unsurpassed scenery and landmarks the heart of England has to offer.

Based in the tranquil market town of Melton Mowbray-Rural Capital of Food and famed for its Pork Pies and Stilton Cheese we start your experience....

Sit back and relax while Richard chauffeurs you along your chosen tour whether it's taking in the gently rolling scenery around the Vale of Belvoir – home to the majestic Belvoir Castle, or around England's smallest county of Rutland where you can appreciate the picturesque Rutland Water - one of the largest artificial lakes in Europe, the impressive Haringworth Viaduct and many other attractions this enchanting county has to offer. .

Business plan and objectives

Our aim is to offer a unique and totally new way to see the counties of Leicestershire, Rutland and the surrounding areas.

With this proven business model, currently running in numerous locations around the country we are offering an experience that has added a lot of value to the tourism trade in many other locations and put big smiles on the faces of those who have taken a tour!

With our knowledge of the local area we intend to offer a guided, chauffeur driven service on the latest safest eye catching trike on the market today that will not only be a sound business model but should make Melton and the surrounding areas a destination for people looking for this unique experience.

Business Details.

The trike is a 2018 model and meets all the European safety standards for the road going production vehicle of this type. It is made specifically for “family” use so can seat up to 4 people including the driver.

This is not a converted motorbike.

The vehicle is fully sign written with the details of our website which is in the final throws of construction.

All the latest safety wear including helmets, over trousers and jackets, gloves and neck scarf's and even disposable hair nets for use in the helmets has all been purchased, with additional stipulations for the trike (seat belts, foot plates etc) being worked up at present.

Business Planning

We are happy to try and meet any additional stipulations required to gain the necessary licensing approval and have provided the contact details of the other companies already operating this experience whom most, I'm confident will be only too happy to help answer any further you have about current operations and business usage.
