

Pay Policy Statement 2019/20

Pay Policy Statement 2019/20

Introduction

The Localism Act 2011 (the Act) requires the Council to prepare a pay policy statement each year. The pay policy statement must articulate the Council's approach to a range of issues relating to the pay of its workforce.

This statement will be subject to annual review and approval by Full Council each subsequent year. In exceptional circumstances the statement may be reviewed/amended mid-year by the Full Council.

This statement will be published on the Council's website following each review and approval by Full Council.

The purpose of this statement is to provide transparency with regard to the Council's approach to setting the pay of its employees by identifying:

- the methods by which salaries of all employees are determined;
- the detail and level of remuneration of the Council's most senior staff;
- the remuneration of the Council's lowest-paid employees, and
- the relationship between the remuneration of chief officers and those employees who are not chief officers.

1. Remuneration of Employees

- 1.1 For employees subject to the "National Agreement on Pay and Conditions of Service of the National Joint Council for Local Government Services" (known as the "Green Book"). The national pay spine ends at SCP 49 but the Council has locally extended this to SCP 60. This pay spine is divided into 15 pay bands, which contain between two and five incremental points. Band 2 is the lowest and Band 16 is the highest of these pay grades.
- 1.2 As part of national pay negotiations in 2018, a review of the pay spine has been undertaken. This has resulted in the lowest point, the new point 1 starting at £9.00 per hour - £17,364 pa. Employees who were being paid at the Living Wage Foundation rate were protected on £8.25 however from 1 April 2019 the protection arrangements are no longer required. The new pay spine has resulted in slight changes to the allocation of spinal points to the bands.
- 1.3 The Band of a post is determined through Councils job evaluation scheme which directly establishes the relative levels of posts according to the requirements, demands and responsibilities of the role. The evaluated score will determine the banding level paid within a locally agreed banding structure. The Council presently use the Local Government Single Status Job Evaluation Scheme (the NJC scheme) to evaluate all posts with the exception of Chief Officer roles.

- 1.4 The Council presently adopts the national pay bargaining arrangements in respect of the revision of pay spines
- 1.5 All other pay related enhancements and payable allowances/expenses are the subject of either nationally or locally negotiated and/or determined rates.

2. Remuneration of Chief Officers

- 2.2 The salary paid to Chief Officers is determined by the Corporate Committee and approved by Full Council. It takes into consideration guidance from the JNC National Framework and market forces through a benchmarking exercise. - 2.6 The Assistant Director for Statutory Planning and Regulatory Services meets the statutory definition of a chief officer due to the strategic management responsibilities of the role. - 2.7 The Chief Executive also acts as Returning Officer for all Council elections for which an additional allowance is payable in relation to the overall supervision and ultimate responsibility for the conduct of Council elections. The fee payable is calculated jointly with Leicestershire Electoral Administrators Group, currently based on a set amount for the number of electors for each ward, £56.77 per 500 local government electors or part thereof in a contested election. Elections take place on a 4 year cycle although by-elections may take place at other times.
