Dear Sir/Madame

Re: Proposed Langer Quad & Karting Centre Music Event 26<sup>th</sup> October.

I should like to lodge concerns regarding the licensing for this event. The numbers involved suggest three areas of concern especially for the village of Harby close by.

- Noise, low base sounds travel some distance and in a working village many may wish to sleep before 23.30hrs. Furthermore we appreciate the quiet of the countryside as do visitors.
- The increase in traffic through and around the village could be severe and may cause safety issues.
- At an event of this nature there could arise instances of an antisocial nature, again Harby is a small quiet village and one cannot be sure that the organizers can ensure that the event does not impinge on the well being of those living in Harby.

I hope these points will be taken into consideration by the licensing authority.

Yours faithfully
