To prevent crime and disorder	Y	<p>On Monday 9th September I attended the premises to post the Blue Notices on or near the premises to advertise that a review had been requested.</p> <p>I spoke to the only assistant Taha who was not a personal Licence holder and could not provide me with an incident / refusals log.</p> <p>I also asked to see the Premises licence, the assistant could not help me and looked bemused.</p> <p>After searching the shop floor I spotted just one sheet of the licence which was fixed with sticky tape to an RSJ just below the ceiling of the shop, I was unable to read it without a ladder.</p> <p>The Licensing act 2003 clearly states that</p> <p><i>'The Premises Licence summary (or a certified copy) must be prominently displayed at or on the premises</i></p>

concerned - every page should be displayed.'

The assistant when asked about the Incident & Refusals book said 'Ask the Manager' I said 'Where is the manager?' he then got a male on the phone who said he was the DPS Mr Jasim Amin who said he was too busy to come and speak with me but he would contact the council tomorrow.

I gave a copy of the blue notice to Taha and instructed him to place it in the window.

A further notice was attached to a post outside.

The manager Amin did not attend the council offices.

On 11th September 2019 the premises was again visited, the blue notice was not fixed to the window as requested and the assistant Taha got another person, Purza Bestun on the phone, he claimed to be the owner but was unaware of the conditions of the licence, he tried to translate to the assistant Taha, but couldn't make him understand either.

This time the blue notice was fixed to the glass door by the Licensing & Compliance officer.

On 12th September 2019 the premises was again visited, the notices were still present and correct.

I spoke to a different assistant Ahmadi who stated he did have a Personal licence with Leicester city council. He was unable to produce one to me, but later emailed me a copy of his personal licence LEIPRS3482

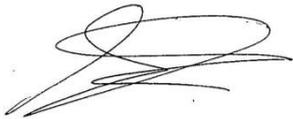

He was still unable to produce a copy of the Incident / refusals log and stated that Mr Amin had instructed a solicitor who would be making contact with Licensing.

On Tuesday 21st August 2018 a hearing of the Melton Mowbray Licensing sub committee to modify the conditions on the premises licence MMA0000:

- 1) To remove the DPS namely Mr Mariwan Ali
- 2) To modify the conditions on the premises licence as follows:
 - a) That there be a Personal Licence holder present at all times when licensable

		<p>activities are taking place.</p> <p>b) That there be a refusals register kept at the premises and be produced on demand to Licensing Officers and the Police and any other responsible body.</p> <p>The fact is on three separate visits these conditions were not met shows total disregard for the licensing regime and objectives.</p>
Public safety	Y	<p>On Monday 9th September I witnessed the assistant Taha sell a can of alcoholic lager to a male customer.</p> <p>This shows that the business will sell alcohol in breach of the conditions on their licence.</p>
To prevent public nuisance	N	
To protect children from harm	Y	<p>Three visits have been made to the premises since an official review was requested by Trading Standards, no Incident or refusals log was able to be produced showing if they have been complying with the conditions set by the Licensing sub-committee as a result of the last review in 2018</p>

<p>Please suggest any conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account (see note 2).</p>
