

APPENDIX A

POLLING DISTRICT REVIEW 2019

The following is the Returning Officer's submission as part of the consultation process on the Polling District Review 2019.

The Returning Officer is required to make a submission on both the existing polling stations and the polling stations that would likely be used based on any proposed polling places.

Any person wishing to make their views known on the boundaries of polling districts or of existing polling places or the creation of new polling places, should do so in writing to Melton Borough Council, Parkside, Burton Street, Melton Mowbray, LE13 1GH or by e-mailing electionservices@melton.gov.uk by no later than 30th November.

RETURNING OFFICER'S REPORT

Current polling places schedule with comments and recommendations

Ward	Polling District	Electorate	Polling Place/ Station	Recommendation
Melton Craven	A		Royal British Legion, Keswick House, Thorpe End, Melton Mowbray LE13 1RB	No adverse comments on station location or facility. Recommend no change to use of premises as a polling station.
Melton Craven	B		Sherrard School Grange Drive, Melton Mowbray LE13 0EW	No adverse comments on station location or facility. Recommend no change to use of premises as a polling station.
Melton Dorian	C		Melton Mowbray Baptist Church, Leicester Road, Bowling Green Lane, Melton Mowbray LE13 0FA	No adverse comments on station location or facility. Recommend no change to use of premises as a polling station.
Melton Dorian	D		Swallowdale Primary School, Dalby Road, Melton Mowbray LE13 0BJ	Some parents raised concerns about the use of the school and the impact on children's learning. Whilst every effort is made to avoid

				<p>using schools, this cannot be avoided within this Polling District. Alternative locations have been identified as The Edge and Melton Mowbray Baptist Church.</p> <p>With regard to the Baptist Church, it was determined some years ago that one Polling Station for the entire Ward caused accessibility issues. Prior to this determination all electors within the Dorian Ward voted at Swallowdale Primary School. The Ward was split into two polling places some years ago and the Baptist Church has since been used as a Polling Station in addition to the school. Electoral Commission guidance stipulates that Polling Stations must be within easy reach of all electors from across the Ward and when we consider any vulnerable electors, one Polling Place would not be satisfactory or meet Electoral Commission guidance.</p> <p>The Edge was considered however it is a statutory requirement that the Polling Station must be an area in the Ward, unless special circumstances make it desirable to designate an area wholly or partly outside the Ward (for example, if no accessible polling place can be identified in the Ward). As the school is a suitable venue (appreciating that it may not be convenient) it would not qualify as a special circumstance to move outside of the</p>

Melton Egerton	EEEE2		St Peters Parish Centre, Welby Lane, Melton Mowbray LE13 0ST	The premises are longer available to be used as a Polling Station. Melton Newport	F		Gloucester House, 3 Norman Way, Melton Mowbray LE13 1JE	Presiding Officer raised issues with external people needing access to offices through the Polling Station.
